

# Sports Premium Impact Report 2015-16

## Sports Grant Report 2015-16

Whitnash Primary school decided to use the money to:

- increase pupils opportunities to swim, extending the swimming lessons for children to learn swimming in Years 2, 4 and 6
- Increase physical activity during lunchtime
- Develop teachers skills in teaching PE
- Increase the school profile in competitive sports
- Increase pupil opportunity for after-school sports clubs

Grant received £8850.00 (approx.)

Approximate number of pupils on roll 170

## Outcomes

Objective	Activity	Outcomes
Increase physical activity during lunchtime	Provide Go for Goals football session during lunchtimes	All year groups benefited from this provision on a rolling year group programme. Children enjoyed the opportunity for physical activity at lunchtimes. The school have reviewed this provision and intends to use this structure to greater benefit in 2015-16, so as to have a wider impact on children's participation in sports, vary every child's lunchtime experience and widen the nature of the sport on offer.

		<p>school have reviewed this provision and intends to use this structure to greater benefit in 2015-16, so as to have a wider impact on children's participation in sports, vary every child's lunchtime experience and widen the nature of the sport on offer.</p>
<p>Increase pupil opportunity for after-school sports clubs</p>	<p>Provide a Martial Arts Club after-school provision</p>	<p>This club was popular with Key Stage 1. Approximately 10 children benefited from this club each week. However, number dwindled throughout the year. The school has reflected on this and reviewed how clubs will be presented to children at Whitnash. To ensure wider participation, most clubs will run at lunchtimes in 2015-16. The football club remains popular and this is Whitnash's most successful after-school club. This will continue in 2015-16.</p>
<p>Provide children with specialist PE teachers</p>	<p>Provide a specialist Martial Arts opportunity within the curriculum</p>	<p>This provision was offered to Year 1, 2 and 3. The children thoroughly enjoyed having a specialist deliver their PE session and enjoyed the activity. However, this only impacted half of the school. Having reviewed this, the school will utilise Sports Premium funding in 2015-16 to widen this impact, provide additional specialists and develop the PE CPD for our teachers.</p>
<p>Increase the school profile in competitive sports</p>	<p>Boys / Girls football SSP Competitions</p>	<p>The football team has been a real success in 2015-16. Parents and children are really engaged. Having 2 squads is allowing a wider impact in school. Children across Key Stage 2 are participating. The girls have joined the team. The school wishes to continue</p>

		<p>to promote girls football and will therefore offer a single sex team next year to enable increased participation.</p> <p>Football is currently not being offered to Key Stage 1. In 2015-16 the school will therefore review the sport provision offered to ensure that all year groups get the opportunity to participate in football.</p> <p>The school has also taken part in inter-school rounders, athletics and Cross Country. 1 child made it through the Cross Country heats to the final championship.</p>
Increase the school profile in competitive sports	Provide a football kit to Whitnash team	The children and parents have really engaged with the football team in 2015-16. The football kit has enabled our children to feel part of the inter-school competitions and increased their motivation and commitment to the Whitnash team.
The remaining funds was put towards subsidising the swimming for children in Year 1 - 6	The remaining funds was put towards subsidising the swimming for children in Year 1 - 6	All children in all year groups had the opportunity to swim and have swimming lessons in 2015-16. The children enjoyed this opportunity and it has given children greater confidence with their swimming.
