  	<p>Choose one of your favourite stories. Create a play script for one the most exciting part of the book. Think carefully about the how to set it out and add stage directions and adverbs to support the 'actors' in understanding how it should be acted. Get members of your family involved to act out your script!</p> 	<p>Using the menu, work out the cost of the following orders:</p> <table data-bbox="722 1133 898 1279"> <tr><td>coffee</td><td>£3</td></tr> <tr><td>tea</td><td>£2.35</td></tr> <tr><td>cake</td><td>£4</td></tr> <tr><td>muffin</td><td>£1.95</td></tr> <tr><td>hot chocolate</td><td>£1.99</td></tr> </table>  <p>1. Coffee and a muffin 2. A slice of cake and a hot chocolate 3. Coffee, tea and two slices of cake.</p> <p>If someone paid for each order with a £20 note, how much change would they get each time?</p>	coffee	£3	tea	£2.35	cake	£4	muffin	£1.95	hot chocolate	£1.99	<p>Science</p> <p>Using the words 'egg', 'pupa', 'larvae' and 'adult', write and draw the life cycle of an insect of your choice.</p> 	<p>History</p> <p>Find and read some Maya myths or stories about gods and retell one of them in your own words. You could even write a comic strip or make your own story booklet.</p> 																								
coffee	£3																																					
tea	£2.35																																					
cake	£4																																					
muffin	£1.95																																					
hot chocolate	£1.99																																					

Write a story that starts with the opener:
'Footsteps slowly creaked on every step of the stairs. The bedroom door handle turned slowly...'

Remember to include:

- A description of the setting - create an exciting atmosphere
- Description of the characters and show the reader how they feel throughout the story.
- Use correctly punctuated speech between the characters.

Find the answers to the problems below (show your working):

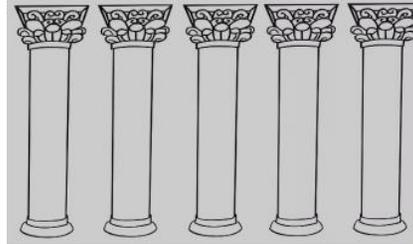

1. Annie buys a book and pays with a £20 note. She receives 36.55 change. Then, Annie goes to the bakery and buys bread with a £5 note. She receives £3.30 change. What is the total cost of the book and bread?

2. A box contains 3.25kg of washing powder. Mr Khan uses 80g of powder prewash. He does 10 washes. How much powder is left?

3. Ron wants to go a ride that has a minimum height requirement of 1.4m. ron is 1.18 m tall. How many centimetres is Ron too short?

R.E

Name and describe the Five Pillars of Islam.

History

Find out what the Maya people eat today. How similar and/or different is their diet to that of their ancestors?

Find some other traditional Maya recipes and create your own Maya feast.
