Challenge # 2 – Dens

Plan and make an indoor or outdoor den using everyday props

Reception – explore how different buildings around the world are made. Draw and label a plan. Measure, count, problem solve – what will you need? Can you make it waterproof? Or make a dark den to explore with a torch!

KS1/2 – this is your shipwreck survival shelter. Keep a diary with detailed notes and sketches of what you find in your new habitat. Film a blog.

Be as creative as you like!
